

SNEB Nutrition Education Research Award Criteria

The SNEB Nutrition Education Research Award will be given to acknowledge outstanding research achievement in the field of nutrition education.

Criteria for Selection:

- 1.** Recipients must currently be a member of SNEB and have been a professional member of SNEB for at least 5 years
- 2.** Recipients must be nominated and sponsored by a current SNEB member in any membership category. Self-nominations are acceptable.
- 3.** Recipients must have a record of outstanding achievement in the field of nutrition education research. This could include breadth and quality of accomplishments in terms of publications, invited presentations, grants received, students mentored, and/or invitations to serve on national panels within their area of research.

To submit a nomination, go to <https://sneb.submittable.com/submit> and click “Submit” next to SNEB Award Nomination – 2017.
