STUDENT & PROFESSIONAL

Speed Networking Event

-It’s not what you know, but who know.

6:00-7:00PM

Join us in:
Latrobe/Bulfinch/Renwick

Join us for a roundtable-style networking event organized around topic areas. There will be opportunities to rotate through topics and network with others who share your interests.

Students: Practice introducing yourself and providing an elevator pitch in a comfortable and inviting atmosphere. Glean relevant advice for your field by listening to and learning from professionals.

Professionals: Provide insight from your experiences traversing your professional field. Help students capitalize on impactful opportunities and practices that you regularly use.

Hosted by Society for Nutrition Education & Behavior’s Student Committee | students@sneb.org
