AT THE END**

# EVALUATION READINESS

- Different stages
- Different resources
- Different needs

# ROUND ONE

- Looking at a specific case study from the viewpoint of a pilot project
- Select your group
- You will have about 20 minutes to discuss your case study.

# ROUND TWO

- The pilot project was successful! Now you're going to be looking at the case study from the viewpoint of implementing a larger project.
- You can stay with the same group or move to a different setting.
- You will have about 15 minutes to discuss this part of the project.

# ROUND THREE

- Three years have gone by! Now you're going to be looking at the case study from the viewpoint of longer-term follow-up.
- You can stay with the same group or move to a different setting.
- You will have about 15 minutes to discuss this part of the project.

# LARGE GROUP DISCUSSION
