PRESIDENT

Tracy Fox, MPH, RD

SNEB INITIATIVE

SNEB launches new strategic plan with the following goals: grow and maintain a dynamic Society, serving nutrition educators around the world; support the effective practice of nutrition education; advocate for policies that support healthy communities, food systems and behaviors; promote research related to effective nutrition education and behavior change at the individual, community and policy levels; and build collaborations with organizations, industries and government to promote healthy communities, food systems and behaviors.
